SINCE WE LAST MET…
LOOK WHAT EOCA DELIVERED!

It’s been a long time since we all got together. But EOCA and its members have been busier than ever and achieved so much in that time:

- Raised €153,000 in online fundraisers
- Received 940 applications for funding
- Funded 32 projects in 22 countries
- Committed over €1 million to projects
- Attracted 180,000 online votes for our projects from outdoor enthusiasts
- Exceeded our Plastic Free: Mountain to Sea target by clearing over 4000km of habitat of plastic pollution

Plus we launched our latest 2 year focus - Wild for Nature: EOCA’s Landscape Legacy. Through this focus, EOCA and its members are funding valuable projects addressing biodiversity loss and climate change in fragile landscapes around the world. In 2021 alone, EOCA funded projects working in over 472,000ha!

WITH THANKS TO ALL EOCA MEMBERS FOR THEIR CONTINUED SUPPORT:
